DETAILED ACTION

Allowable Subject Matter

1. Claims 25-31 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to clearly teach or fairly suggest an apparatus and a method for forwarding identification information to a called party in a call from a calling party calling from a computer terminal other than a personal computer associated with said calling party, the call accessing a public switched telephone network through the Internet, the apparatus and a method comprising the features, inter alia, of retrieving said additional identification data stored in a database, said additional identification data being associated in said database with said at least one of the credit card number and the calling card number, *said additional identification data further identifying said calling party*, as set forth the same in the notice of allowability of the parent case and substantially described and connected to the apparatus and method claims 25 and 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
